Dear Graham,

On behalf of the California Association of Bed & Breakfast Inn's Board of Directors and Conference Committee, thank you for entertaining our group. Your selection of music was great and kept the crowd on the dance floor. Graham, in our evaluations from our attendees we received many compliments on how much they loved the DJ. Many thanks for adding so much fun to our event.

Sincerely,
Katie Mahaney

Thank you so much. You were fantastic. I want to have you again next year! And I want to cut out all the announcements and have you carry the show. I appreciate so much all that you did for us. Thanks from the bottom of my heart.
